Testing User Stories

As a user, I want to be able to:

View all bug and feature tickets logged by other users, as a guest

1. Click the 'TICKETS' tab in the Nav bar or Side nav, or click the 'TICKETS' link at the bottom of the Home page
2. Use the pagination (if applicable) to navigate through the pages of tickets

Register for my own account

1. When logged out, click 'REGISTER' in the following places:
   a. Tab in the Nav bar or Side nav
   b. Link in the 'New Bug' or 'New Feature' cards on the Home or Tickets pages
   c. Link in the 'Comments' section of the single ticket details page
2. Enter the relevant details and hit the 'REGISTER' button

Reset my account password if I forget it

1. Click the 'LOGIN' tab in the Nav bar or Side nav
2. Click the 'FORGOT MY PASSWORD' link in the login form
3. Enter your email address in the form on the next screen
4. Check your email and spam folder for a password reset email
5. Click the link in the email
6. Enter your new password details in the 'SET NEW PASSWORD' screen
7. Hit the 'SUBMIT' button to complete the password reset

Log bug tickets for free

1. Log in to your account
2. Click the buttons/links in the following places:
   a. 'Bug Report' link in the Profile page
   b. 'NEW BUG' button in the Home page
   c. 'NEW BUG' button in the Tickets page
3. Complete the form in the New Bug page
4. Hit the 'ADD' button

Log feature request tickets by paying a small fee

1. Log in to your account
2. Click the buttons/links in the following places:
   a. 'Feature Request' link in the Profile page
   b. 'NEW FEATURE' button in the Home page
   c. 'NEW FEATURE' button in the Tickets page
3. Complete the form in the New Feature page
4. Select a donation amount and enter your card details
5. Hit the 'PAY & ADD' button

Edit bug and feature tickets that I've created

1. Click on the relevant ticket name in the following places:
   a. Profile page
   b. Tickets page

2. Click the 'EDIT' button
3. Edit the relevant details in the form in the Edit Bug/Feature page
4. Hit the 'EDIT' button

Delete bug and feature tickets that I've created

1. Click on the relevant ticket name in the following places:
   a. Profile page
   b. Tickets page
2. Click the 'DELETE' button to load the Delete modal
3. Click the 'YES' button in the Delete modal

Filter and search for tickets using various categories

1. Go to the Tickets page
2. Click the 'Filter' accordion to load the accordion body
3. Choose a Ticket Type and/or Ticket Status from the dropdown menus
4. Hit the 'FITLER' button

Comment on any tickets that have been logged by me or other users

1. Log in to your account
2. Go to the Tickets page
3. Click on the relevant ticket card to load the full details
4. Enter your comment in the form in the Comments section
5. Hit the 'ADD COMMENT' button

Upvote existing bug tickets for free

1. Log in to your account
2. Go to the Tickets page
3. Click on the relevant bug ticket card to load the full details
4. Hit the 'UPVOTE' button

Upvote existing feature tickets by paying a small fee

1. Log in to your account
2. Go to the Tickets page
3. Click on the relevant bug ticket card to load the full details
4. Click the 'DONATE & UPVOTE' button
   a. If the donation goal has been reached, just hit the 'UPVOTE' button to upvote for free
5. Complete the form in the Donate & Upvote modal
6. Select a donation amount and enter your card details
7. Hit the 'UPVOTE' button

View a dashboard containing various ticket statistics

1. Click the 'DASHBOARD' tab in the Nav bar or Side nav
